

COOKIES POLICY

This website uses its own and third-party cookies to ensure the proper functioning of the website, improve the user's browsing experience and obtain statistical information about the use of the website.

What Are Cookies?

Cookies are small files stored on the user's device when visiting certain websites. They allow the website to recognise the user's browser, remember preferences and collect information about browsing activity.

Types of Cookies Used

This website may use the following categories of cookies:

- **Technical cookies**
These cookies are necessary for the basic functioning of the website and allow, among other functions, navigation, access to secure areas and the use of different services.
- **Analytics cookies**
These cookies help us understand how users interact with the website by collecting statistical information and analysing browsing behaviour in order to improve our services.
- **Preference cookies**
These cookies remember certain user preferences to enhance the browsing experience.
- **Advertising cookies**
Where applicable, these cookies allow content or advertisements to be displayed based on the user's interests.

Third-Party cookies

This website may use third-party services that collect information for statistical, technical or user experience improvement purposes.

Information about such third parties and their respective privacy practices can be accessed through the cookie settings available on the website.

Consent

Cookies that are not strictly necessary will only be installed after the user has provided consent through the cookie settings panel displayed when accessing the website.

Users may accept, reject or configure cookie preferences at any time.

Cookie management and withdrawal of consent

Users may modify or withdraw their consent at any time through the cookie settings panel available on the website.

Users may also configure their browser to block or delete cookies already installed. However, disabling certain cookies may affect the proper functioning of some website features.

Updates

This Cookies Policy may be updated whenever necessary to reflect legal, technical or operational changes, or the introduction of new website functionalities.

Any updates will become effective upon publication on this page.
